

IN THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF TEXAS  
SHERMAN DIVISION

CARLTON R. REYNOLDS, #1289621 §  
VS. § CIVIL ACTION NO. 4:06cv141  
DIRECTOR, TDCJ-CID §

**ORDER OF DISMISSAL**

The above-entitled and numbered civil action was referred to United States Magistrate Judge Amos L. Mazzant, who issued a Report and Recommendation concluding that the petition for a writ of habeas corpus should be dismissed with prejudice. Petitioner filed objections.

The Report of the Magistrate Judge, which contains his proposed findings of fact and recommendations for the disposition of such action, has been presented for consideration. Having made a *de novo* review of the objections raised by the Petitioner to the Report, the Court is of the opinion that the findings and conclusions of the Magistrate Judge are correct and the objections of the Petitioner are without merit. Petitioner's objections serve to simply reurge the issues already presented in his petition and to point out that he is no longer in prison. He has failed to show that the Report is erroneous. Therefore, the Court hereby adopts the findings and conclusions of the Magistrate Judge as the findings and conclusions of the Court. It is accordingly

**ORDERED** that the petition for a writ of habeas corpus is **DISMISSED** with prejudice. A certificate of appealability is **DENIED**. It is further

**ORDERED** that all motions not previously ruled on are hereby **DENIED**.

**SIGNED this 18th day of August, 2009.**

  
MICHAEL H. SCHNEIDER  
UNITED STATES DISTRICT JUDGE
